

Peterborough Sailing Club Adult Sailing Lessons 2019

The Peterborough Sailing Club (PSC) has been a part of the Kawartha community for over thirty years. Located on Clear Lake, 2.8 kilometres north of Young's Point, on the Clear Lake Road, the Club is easily accessible by cottagers and residents of Peterborough.

The PSC has offered adult sailing lessons for many years in a variety of formats. This year we will be offering a 3-week series of introductory sailing lessons. The sessions will run in June on Tuesday and Thursday evenings. Participants will quickly learn the basic information necessary to be comfortable handling a sailboat. The lessons will be conducted by Peterborough Sailing Club member-volunteers who are all experienced sailors. Not only will participants learn the basics of sailing, but will also meet new friends and have a great time learning a fun water sport!

Students will spend 15 hours in the classroom and on the water. The PSC will provide sailboats (Albacores, Wayfarer and Lasers) for student use or, if you prefer, you may use your own boat. Course enrolment is limited to ensure that everyone will receive individualized instruction.

The PSC loves to have new members take part in our lessons. More membership information is available on our website at www.peterboroughsailingclub.org. Inquiries at peterboroughsailingclub@gmail.com
